

TRESTLE II TABLE ASSEMBLY

STEP 1: Lay tabletop top down on a carpeted or padded surface.

STEP 2: Remove rubber caps, nuts, and washers from the base legs and spreader bar bolts.

STEP 3: Loosely attach the legs with the provided washers and nuts.

Base with end caps: Insert base leg bolts into the table top mounting board with the small holes on the base facing to the inside.

Base without end caps: Insert base leg bolts into the table top mounting board with the spreader bolts on the base facing to the inside.

STEP 4: Spread the base legs slightly and attach spreader bar with the provided washers and nuts.

Base with end caps: Insert bolts through the base and attach using washers and nuts on the outside of the base leg. Fasten securely.

Base without end caps: Insert dowels into into spreader bar. Align dowels and insert bolts into spreader bar. Attach using U-shaped washers and nuts. Fasten securely.

STEP 5: Tighten nuts that attach the base and table top.

Solid-top table: Continue to tighten nuts as you did in step 3. Then, carefully turn the table upright.

Table with Leaves: Carefully, turn the table upright. Unlock the tabletop and pull it apart, as you would to insert leaves, until you can see the bolts, washers, and nuts holding the top to the base. Tighten the nuts down firmly.

STEP 6: **Base with end caps:** Attach decorative end caps to the corresponding base leg by inserting the bolt head and sliding the end cap down. Base legs and end caps are marked "A" or "B".
